To be eligible for the poster contest:

- You should be in active training at the time of the meeting.
- Presented materials may derive from original clinical or basic research, not case studies.
- Research already accepted for presentation at a national meeting is not eligible for this competition.
- While we hope for a good response, a minimum of 5 abstracts must be accepted per meeting location in order for the competition to be held.

Meeting registration will be complimentary to all Fellows.

Abstract submission deadline: April 2, 2012

Acceptance Notification: April 6, 2012

- The poster session will include monetary awards of \$1000, \$750, and \$500 to 1st, 2nd and 3rd place winners respectively.
- The posters are to be brought in paper format only.
- All poster presenters need to be present on Saturday for the award announcements.

To submit your abstract for consideration and to register to attend the conference visit our website at <http://www.pcacc.org/events/events.html>.

The PaACC thanks you for selecting to participate in this annual academic event. It is by your support that this meeting continues to thrive.
